Presents

Building on Our Heritage

A celebration of the Historic former Cleveland Trust Rotunda

Seize the opportunity to tour the historic Rotunda, which will be the centerpiece of the County's new Administrative complex at East 9th Street and Euclid Avenue.

See the massive vaults, the 60-foot Tiffany-style glass skylight, and the unique brass and bronze work, that make this building an icon of the past glory and a symbol of the bright future of our community.

The celebration includes "Building on Our Heritage," an exhibit highlighting the construction of the building and its history

Please join us Labor Day weekend for the exhibit and self-guided tours of this great Cuyahoga County landmark.

**Friday August 31, 2007- Saturday September 1, 2007
From 11 a.m. to 4 p.m. each day**
