

PUBLIC NOTICE

5/10/2013 Issuance of Draft Air  
Pollution Permit-To-Install and  
Operate

Cleveland Public Power -

Ridge Rd

3727 Ridge Rd.

Cleveland, OH 44144

Cuyahoga County

FACILITY DESC.: Other Electric  
Power Generation, Solid Waste  
Combustors and Incinerators

PERMIT #: P0107767 -

Initial Installation

PERMIT TYPE AND DESC: The  
emissions units involve three mu-  
nicipal solid waste gasifier proc-  
essing lines (B001 - B003). The  
gasifier lines produce a syngas  
which is then burned in a furnace  
to produce heat that is then con-  
verted to steam in the Heat Re-  
covery Steam Generator. The  
emissions units will be controlled  
using a baghouse, selective cata-  
lytic reduction (SCR), and wet  
flue-gas desulfurization scrubber  
system.

The Director of the Ohio Environ-

mental Protection Agency issued  
the draft permit above. A public  
hearing on the draft air permit is  
scheduled for 6:00PM,  
06/12/2013, at the Estabrook Rec-  
reation Center, 4125 Fulton Road,  
in Cleveland, Ohio, 44144. All  
comments may be submitted at  
the hearing or sent to: David  
Hearne, Cleveland Div of Air  
Quality, 75 Erieview Plaza, Ste  
200, Cleveland, OH 44114 Ph:  
(216) 664-2178. All comments on  
the draft permit must be received  
by 06/19/2013.

The permit and complete instruc-  
tions for requesting information or  
submitting comments may be ob-  
tained at: [http://epa.ohio.gov/  
dapc/permitonline.aspx](http://epa.ohio.gov/dapc/permitonline.aspx) by en-  
tering the permit # or by contact-  
ing David Hearne as given above.
